#### BOOMER BEACH

The point between Boomer Beach and La Jolla Cove is the best place to view sea lions but they like the sand here, too.

#### LA JOLLA COVE

Sea lions hang out on the sand and rocks. They may join you for a swim.

#### THE CAVE STORE

Purchase a ticket to hear the echo of sea lion barks and maybe see a few in Sunny Jim Sea Cave.

La Jolla Underwater Park

#### SHELL BEACH

A view of Seal Rock and Children's Pool in the distance.

#### SEAL ROCK

Harbor seals and birds lounge on Seal Rock in the ocean.

#### CHILDREN'S POOL

Harbor seals give birth and raise their pups here between December and May.

#### ELLEN BROWNING SCRIPPS PARK

A grassy park with wind-blown trees that is perfect for kids and picnics.

#### BELVEDERES

Stop for a rest or scenic Instagram photo in a historic green hut.

#### COAST WALK TRAIL

Walk the half-mile trail from La Jolla Cove to La Jolla Shores to see sea lions frolic in the ocean below.
